Senator \_\_\_\_\_

United States Senate

Washington, DC 20510

Dear Senator \_\_\_\_\_:

I strongly support Senate Joint Resolution 1, the Marriage Protection Amendment, which will be brought up for consideration in early June. It would amend the U.S. Constitution to state that "Marriage in the United States shall consist only of the union of a man and a woman."

Marriage is more than a lifestyle choice. It makes a unique contribution to the common good of society by providing a way for a man and a woman to bring children into the world and to care for them in the context of a loving, committed, lifetime relationship. I ask that you vote in favor of S. J. Res 1, in order to permanently protect the institution of marriage.

Sincerely,
